# BOARD PRESIDENT AND EXECUTIVE DIRECTOR MESSAGE DE RECOGNITION

After 2 years as a virtual and hybrid festival, the 54th edition of Festival du Voyageur was an unforgettable and unique experience for all festivalgoers. Glistening snow, soft wood shavings, warm campfires and the rhythms of the fiddle were back. The return to this familiar atmosphere was made possible thanks to the extraordinary support of our funders, partners, volunteers and amazing team.

In January 2023, we predicted that the Festival would be bigger than ever. Our expectations were met and exceeded. It was an exceptional year in terms of participation, richness and diversity of the programming, and enthusiasm towards new features such as Indigenous art installations, Terrasse à chansons and Forêt des neiges, which quickly became must-sees of the 2023 edition. Even more reasons for making Festival du Voyageur the largest winter festival in Western Canada.

After a few difficult years, we took the time to really analyse the impact of our festival. We've improved our processes and have introduced the initiatives. We continue to innovate on the environmental, social and economic fronts. At the same time, we are committed to a more inclusive, diversified and equitable programming policy, reflecting our desire to be a celebration for all festivalgoers.

Darrel Nadeau, Executive Director // Eric Plamondon, President  
2022-2023

# OFFICIAL VOYAGEURS

**HÉHO! We are now at the end of our mandate and it was an unforgettable experience for our family!**

As you all felt, FDV 2023 was for us a return to glory! The first full festival since February 2020, and the festival team put in hard work to ensure that all festivalgoers could enjoy an experience like no other. The tents were full and the smiles endless. With a record number of artists, shows, Visiting Festivals visitors and events, our family was very busy during the 10 days of the Festival in 2023:

- 26 community visits (schools, personal care homes, pancake breakfasts)
- 35 events (Parc du Voyageur, official sites, performances, media events, etc.)

We would like to thank our dedicated driver, Roger Foidart. He always drove us to engagements with a big smile on his face. We really appreciated everything he did for our family during our mandate.

As Official Voyageurs, we've experienced some unforgettable moments on our journeys. Moments such as :

- Create videos at home for the virtual edition in 2021
- Launch the 2022 Festival in the Maison du Bourgeois
- Visit schools and personal care homes that always left us in good spirits
- Participate as ambassadors in parades in Winnipeg and the U.S. in front of thousands of spectators
- Singing the national anthem in French on stage in front of over 2,000 people at Oktoberfest in LaCrosse, Wisconsin
- Connect with thousands of festivalgoers, bilingual communities, and the francophone community in Manitoba!

# OFFICIAL VOYAGEURS

For us, the most important thing was to have the opportunity to live these joyful experiences with our children. We had a shared family experience that was truly unique. Annika, Martin and Natasha were shining stars. Over the course of three years, they demonstrated confidence, maturity and growth. Annika shared her guitar talent without fail at every opportunity, and her interpersonal skills, especially with the school children, and it gave us an immense sense of pride. The kids took to the stage and microphone time and time again, and they each found an impressive comfort level in addressing a crowd, telling a story, and keeping the world entertained. As a parent, it's really cool to see your kids grow up before your eyes through this journey as Official Voyageurs. Congratulations and thank you to our three hearts Annika, Martin, and Natasha!

We'd like to sincerely thank the Ordre des Voyageurs officiels (OVO) and the Festival du Voyageur Board of Directors. In addition to entrusting us with the role of Official Voyageurs for 2021 and 2022, they granted us the opportunity to remain in the role for the 2023 edition. We are infinitely grateful, and wish great success to those who will undertake this special role for the 2024 edition.

Now that our mandate is over, we can catch our breath a little. We look forward to enjoying the next Festival with you as we always have. We look forward to seeing you at Parc du Voyageur in 2024.

Best regards,  
The Turenne family

# STORIES CARRIED BY SMOKE

The Festival du Voyageur celebrates history, joie de vivre, culture and fraternity with Indigenous peoples. This edition was an opportunity to immerse participants in a series of unpublished works by Indigenous artists and to highlight Indigenous languages through stories.

**16 artists created a unique Indigenous art exhibition Parc du Voyageur.**

Stories Carried by Smoke references the act of gathering around a campfire and the stories and teachings shared amongst the community. The artworks presented narrate and reflect on kin, land, and community relations through the lens of Indigenous, Métis, and Inuit artists.

This immersive outdoor exhibition is located at various sites throughout the Festival grounds, featuring illustrations, texts, prints, film, and multi-media projections. Stories Carried by Smoke evokes the conversation on how stories are transmitted and shared amongst us. Building connections with each other, the land, and the community through storytelling.
