BIENVENUE!

LAND ACKNOWLEDGEMENT

Festival du Voyageur gathers by the Red River, on the ancestral land of the Cree, Oji-Cree, Ojibwe, Dene and Dakota, the National Homeland of the Red River Métis, and Treaty 1 territory. We are committed to sharing this truth by providing an inclusive and honest account of our shared history.

WHAT SHOULD I CONSIDER?

- There are many activities for you to enjoy in the park. To maximise your time, we strongly recommend **arriving before 10h00 and leaving after 14h20**.
- The ratio of students to **accompanying adults is 10:1**. If you plan on bringing additional adults, the charge will be \$14.00 per adult.

For example, if you bring 35 students and 4 adults, 3 adults would not be charged, and one would need to pay an additional fee. EAs always get in for free.

- Space is at a premium in the park. Please note that if you are booking for multiple classes, **you may not all get into the same programs and at the same time**. But rest assured, everyone will still have a great day!
- What are your students' **accessibility needs**? Parc du Voyageur is a busy place with lots of stimulation and we want to ensure a safe and pleasant visit for every student. If your student(s) need a place to be changed or fed, to rest from over-stimulation, or if they are in walkers or wheelchairs, please let us know in the comment section of the registration form.
- Festival du Voyageur is an **outdoor winter event**. Please ensure that your students, teachers, EAs, and parent volunteers are dressed appropriately for the weather.
- **Cancellation Policy**. Festival du Voyageur is a winter event that will operate even in extreme weather conditions. Cancellations or changes to your itinerary may be made until January 24, 2025. No changes or cancellations may be made following that date. In the event of extreme cold, outdoor programs may be moved or shortened without prior notice. Please consult the full cancellation policy online: heho.ca/school-program
