

FESTIVAL DU VOYAGEUR 2027

ADVERTISING OPPORTUNITIES

OVERVIEW

FESTIVAL DU VOYAGEUR

Festival du Voyageur is renowned for its unique, interactive, historical and cultural experiences which commemorate the Francophone community as well as the First Nations and Métis people of the Red River Settlement.

Every winter since 1970, Saint-Boniface, Winnipeg's French quarter, is transformed into a winter paradise and becomes host to the largest Francophone event and largest winter festival in Western Canada.

Festival du Voyageur is a much anticipated 10-day celebration that welcomes over 70,000 participants to Parc du Voyageur and its official sites. This upcoming 58th edition will take place from **February 12 to 21, 2027**.

Fort Gibraltar is featured as the heart of the annual winter festivities. Voyageur, Métis and First Nations histories are brought back to life through historical interpretation offered inside Fort Gibraltar, and through the many attractions inside Parc du Voyageur and at the festival's various official sites. A wide variety of musical styles, traditional cuisine, snow sculptures, family activities and captivating performances are but a few examples of the entertainment visitors can expect during this distinctly Manitoban winter gathering.

Festival du Voyageur attracts a diverse range of visitors of all ages as well as a large portion of the Manitoba French-speaking community. We offer events and activities that are intended for the general public as well as others that target specific demographics such as francophones, families, youth, young adults, seniors, the LGBTQ2+ community, among others. We can help your organization's community outreach goals all while showcasing your joie de vivre and support for the francophone community.
